

Journal

Tuesday - 9 June 1959

2. Telephoned Mr. Robert Smart, Chief Counsel, House Armed Services Committee, to advise that H. R. 5007 is scheduled for hearings on 10 June and the Agency has been requested to provide a representative to speak on the provisions of the bill which amend the CIA Act of 1949. I assured Mr. Smart that we were in favor of the amendments and he thanked us for alerting him to these developments.
